

ReadyAlert | Healthcare Clinic

A focused starting point for a clinic or clinical team.

UP TO 50 STAFF MEMBERS

All features shown below are included at this level.

Included features

- **Unlimited alerts**
Send alerts without per-send fees.
- **SMS, email and voice delivery**
Use multiple channels to reach staff.
- **Two-way confirmation and response**
Collect acknowledgments and replies.
- **Quick Dispatch**
Send prepared alerts in two clicks.
- **HIPAA-compliant audit trail**
Keep a record of alerts and recipient responses.
- **Work schedules**
Target staff who are on shift.
- **Dark mode**
Reduce screen glare on night shifts.

How healthcare teams can use it

Team activations, closures, shift notices and urgent staff updates.

Send from a computer, tablet or phone; no special equipment is required.
